

Cast Foot Mounts

Cast Foot Mountings are the ideal choice for large reciprocating machinery & heavy duty industrial equipment. Using the rubber in Shear/Compression, they can accommodate high loads and provide excellent vibration reduction properties of upto 98%. The strong construction of the mounting ensures a safe, reliable product with extended service life and very high performance. Mountings can also be supplied with fail-safe stop for mobile applications.

Applications include:- Diesel Engines, Generator Sets, Compressors, Fans, Pumps, and Industrial Machinery
