

Round Stud Pattern surface one side- cloth impression finish reverse side

**Description:** Attractive and durable rubber matting with a raised mattfinish 'Circular Stud' pattern design on one side and a cloth impression pattern on the reverse. Available in black or Grey in either 3mm or 4mm thickness'. Ideally suited for communal areas, walkways, tread mats, runners and general purpose industrial applications where a multi directional tread pattern is required.

- Neat, attractive pattern
- Easily cut to size & shape
- Multi direction tread
- Low maintenance
- Non slip when wet
- Cut lengths to order

This grade can be produced in varying width, length and thickness formats and in a variety of colours (RAL matched if needed) to special order. These would be subject to minimum batch run quantities, usually 500 M2 per size/colour

| Stock Roll Sizes<br>[m x m x mm] | Weight<br>[kg/M2] | Specifications<br>[compound]           | Values<br>[typical] |
|----------------------------------|-------------------|--|---------------------|
| Black                            |                   | Colour:                                | Black/Grey          |
| 10m x 1.2m x 3.0mm               | 3.8               | Compound:                              | NR/SBR              |
| 10m x 1.2m x 4.0mm               | 5.1               | Hardness [Shore A]:                    | 70°                 |
| Grey                             |                   | Density [SG]:                          | 1.4                 |
