

**Hammered surface one side - fluted reverse side (8-20mm only)**

**Description:** Good quality rubber matting with a ‘cobbled’ finish pattern on one side and castellated ribs on the reverse. Primarily used as floor coverings for stables, horseboxes and animal transporter floors. Widths of 1200mm, 1800mm and 2000mm x long length rolls facilitates fewer piece fitment. A hardwearing and durable matting for heavy duty applications

- Good non slip characteristics
- Good impact resistance
- Extra wide width/lengths
- Good durability & resilience
- Attractive finish and appearance
- Low maintenance

This grade can be produced in varying width, length and thickness formats and in a variety of colours to special order. These would be subject to minimum batch run quantities, usually 500 M2 per size/colour
